

Topic: Forces

Teacher/Parents instruction:**[DO - NOT -PRINT-THIS- PAGE]**

- Introduce the animal poster and discuss farm animals, wild animals, pets, animal homes, and baby animals.
- Encourage students to name animals, describe where they live, and explain whether they are pets, farm animals, or wild animals.
- Support students with spelling where needed and allow drawing or verbal answers for early writers.

Curriculum code:

Country	Curriculum Code	Curriculum Alignment
Australia	AC9SFU01	Observe and identify living things, including common animals, and describe their features and basic needs.
United States (NGSS)	K-LS1-1	Use observations to describe patterns of what animals need to survive.
United Kingdom	Year 1 Science – Animals, Including Humans	Identify and name common animals, including pets, farm animals and wild animals.
India (NCF 2023 / NEP 2020)	Foundational Stage – Environmental Awareness: Animals	Identify common animals, classify them into simple groups, and recognise their basic needs and habitats.
