

Topic: Position Words: Above, Below, Inside & Outside

Teacher/Parents instuction:

[DO - NOT -PRINT-THIS- PAGE]

- Introduce position words using real classroom objects, such as a toy, chair, box, or book. Ask students to describe where an object is using words like **above**, **below**, **beside**, **left**, **right**, **inside**, and **outside**. Encourage students to point, move objects, circle answers, and explain their position using a full sentence.

Curriculum code:

Country	Curriculum Code	Description
Australia	AC9MFSP02	Describe position and location using everyday spatial language.
USA	CCSS.K.G.A.1	Describe objects in the environment using names of shapes and relative positions.
United Kingdom	EYFS – Shape, Space and Measures	Understand and use positional language such as under, over, beside and between.
India	NCF 2023 – Foundational Stage Numeracy	Use spatial words such as inside, outside, above, below, near and far.
