

Statistics – Answer Key

Answers for the Statistics unit review.

Q1

Toys that move

Car and ball

Q2

Group with more

Dogs

Q3

Laces or no laces

Laces

Q4

Dog is an animal

Yes

Q5

More kangaroos or tigers

Kangaroos

Marking notes

- Q1 things with wheels or that roll move; a book and a cup stay still.
- Q2-Q3 line up and match one-to-one to see which group has more.
- Q5 count each animal, then compare – 4 kangaroos is more than 2 tigers.
