

Examine the use of literary devices and deliberate word play in literary texts, including poetry, to shape meaning

Learning intention

- examine the use of literary devices and deliberate word play in literary texts, including poetry, to shape meaning.

Teach and model

- discussing poetic language, including adjectives that engage readers emotionally and bring the poet's subject matter to life.
- defining neologisms and puns, and identifying how they are used by authors to create a sense of freshness, originality and playfulness.

Check understanding

- Explain the main idea and give one accurate example.
- Show the idea in a second way: with words, a model, a diagram or symbols.
- Apply the idea to a short unfamiliar situation and justify the result.

Teaching cautions

- Ask the student to explain their choice, not only state an answer.
- Check that key vocabulary is understood in a new example.
- Mix representations so the skill is transferred rather than copied.

Quick lesson sequence

- Connect to prior knowledge and introduce the key vocabulary.
- Model one clear example, then solve a second example together.
- Finish with an independent check and a short student explanation.
