

Playing & Recording a Game

AC9M1ST02_E6 Exploring First Nations Australian children's instructive games, such as Kolap from Mer Island in the Torres Strait, recording and representing the outcomes.

Learning Intention: I can play a game, record the outcomes and show the results.

1. Play

Play the game together.
Kolap is a throwing game from Mer Island.

2. Record

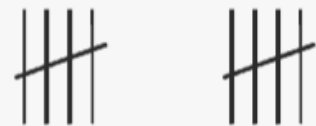

Mark each outcome.
a tally for each turn
groups of five.

3. Show

Represent the results.
count each group
which happened most?

💡 Model It

Kolap, from Mer Island in the Torres Strait, is a throwing game.
Record each turn with a tally, then count the outcomes.

Let's Talk

How will we record each turn?
Which outcome happened the most?
Count by fives?
How many turns did we play in all?

For Teachers & Parents

Explore an instructive game:
such as Kolap from Mer Island.
Record outcomes with tallies:
then represent and compare them.
Learn from trusted sources and Elders.
