

Recognise similar storylines, ideas and relationships in different contexts in literary texts by First Nations Australian, and wide-ranging Australian and world authors

Learning intention

- recognise similar storylines, ideas and relationships in different contexts in literary texts by First Nations Australian, and wide-ranging Australian and world authors.

Teach and model

- comparing the plots and characters in 2 literary texts with similar ideas.
- commenting on how literary texts set in different time periods present ideas about nature.
- discussing how everyday life, such as mealtimes and family relationships, is depicted in particular historical and cultural contexts in texts by wide-ranging world authors.

Check understanding

- Explain the main idea and give one accurate example.
- Show the idea in a second way: with words, a model, a diagram or symbols.
- Apply the idea to a short unfamiliar situation and justify the result.

Teaching cautions

- Ask the student to explain their choice, not only state an answer.
- Check that key vocabulary is understood in a new example.
- Mix representations so the skill is transferred rather than copied.

Quick lesson sequence

- Connect to prior knowledge and introduce the key vocabulary.
- Model one clear example, then solve a second example together.
- Finish with an independent check and a short student explanation.
